## Swim Ulster Competition Structure 2018-2019

(please read in conjunction with the Summary of Qualification Process below)

Galas – the emphasis is on ‘fun’ in individual and/or relay swimming. If medals/prizes are to be awarded, they are for participation not for finish position. The focus is on club/team performances and swimmers competing for an overall team score.

Meets – the emphasis is on individual/relay performance for a time and a finishing position.

All meets (other than schools competitions or Inter/Intra Club Galas) to be aged up to 31<sup>st</sup> December in the year of competition. The plan follows a sequential swimming development model in age bands as follows:

- Intra-Club Galas from 7 years upwards
- Inter-Club Galas from 8 years upwards
- Club Open Meets (aged up to 31<sup>st</sup> December) from 9 years upwards
- Regional Development Meets and Regional Qualifying Meets from 10 years upwards
- Regional Championships and National Division 2 Meets from 11 years upwards
- National Meets/Championships from 12 years upwards

## **Skills Meets**

Swim Ulster introduced an additional tier to the competition pathway in September 2017. The objectives of the Skills Meets are as follows:

1. To offer a standardised skills assessment as a prerequisite for entry into Development Meets for new athletes aged 10yrs. Athletes aged 11&over may bypass the Skills Meets
2. To motivate and encourage swimmers and parents towards the development of technique and skills in a 'technique limited' sport
3. To offer a reward based on personal improvement and the achievement of standards based on identified critical success factors in swimming

## **Development Meets**

These meets continue to be the first introduction to regional racing opportunities for club members therefore it is important that athletes, coaches and parents have an enjoyable experience.

Format for 2018-2019:

- Technical assessment for 10/11yr old athletes on Individual Medley events
  - Removal of a time standard so athletes can focus on the process of technical and skill application
  - Disqualification via a DQ sheet for IM events – infraction sheets for Coach's information for all other events.
  - Streamline head past the flags
- Individual Events – removal of relays and 75m kick, and the addition of 200m Freestyle

## **Promotion from Development Meets to Qualifying Meets:**

During the 2018-2019 season athletes wishing to enter the Qualifying Meets are required to achieve the following criteria. A swimmer can then enter ANY event for which they have achieved a Qualifying Standard plus a maximum of three bonus swims:

1. Swimmer aged 10-11yrs
  - a. Individual Medley Assessment – a legal 100m IM for 10yrs or 200m IM for 11yrs with streamline head past flags
  - b. Plus, two qualifying standards from eligible events
2. 12&over
  - a. Three qualifying standards in two different strokes

*Swimmers must achieve the Individual Medley Assessment in a Swim Ulster Development Meet however they can achieve qualifying standards for other events in any Level 2 Licensed Meet*

A list of swimmers achieving the required Individual Medley Assessment will be circulated to clubs following each Development Meet. It is the responsibility of coaches to refer to this list when submitting entries.

### **Regional SC and LC Championships**

The methodology for generating the open standards is a 5 year rolling average of 24<sup>th</sup> place from the annual rankings unless rankings are incomplete, there is a regression in age groups or the standards are faster than the Irish Summer Nationals Standards. In such cases times have been adjusted accordingly using one of the following calculations:

- 800/1500m times calculated using a 1.06 decay rate per 100m based on 400m time
- 400m IM times calculated using double 200 plus 20 seconds
- Times adjusted if faster than Irish Summer Nationals or slower than the previous age group

### **Swim Ulster Qualifying Meets**

The methodology used for generating the standards is as follows:

- 10yrs – standards set at top 20 from last year's rankings
- 11&over - Regional Championship Qualification Standards plus 7%.
- Time adjusted if faster than Irish Division 2 Competition
